INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Foundation for an Entrepreneurial Canada

We have audited the accompanying financial statements of Foundation for an Entrepreneurial Canada, which comprise the statement of financial position as at March 31, 2017, the statements of operations and changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

FOUNDATION FOR AN ENTREPRENEURIAL CANADA

Notes to Financial Statements

Year March 31, 2017

Foundation for an Entrepreneurial Canada (the "Organization") was incorporated under Part II of the Canada Corporations Act and is continued under the Canada Not-for-Profit Corporations Act as a corporation without share capital. The Organization's purpose is to advance education that focusses on personal and business skills development and entrepreneurship. This purpose is met by delivering programs, conducting research and publication of such research.

The Organization is registered as a charity under the Income Tax Act (Canada) effective April 1, 2012 and is exempt from income taxes. Accordingly, a provision for income taxes is not recorded in these financial statements.

1. Significant accounting policies:

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada Handbook. The significant accounting policies are as follows:

(a) Revenue recognition:

The Organization follows the deferral method of accounting for restricted contributions that include contributions from corporations. Corporate sponsorships are recognized as income on a straight-line basis over the term of the contracts provided that spending restrictions are met during the term of the contracts.

(b) Deferred contributions:

Deferred contributions are recognized as contributions revenue in the statement of operations and changes in net assets on a straight-line basis over the term of the contract provided that contract terms are met during the term of the contract.

(c) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.
